Retractable Banner

850mm x 2000mm

The extra 100mm bleed area below is used for attachment to the banner base.

If you have a coloured background make sure this bleeds into the 100mm area below.

Do not include any text or photos as they will not be seen.

*It is also advised to have text no lower than 100mm above this line

Extra 100mm bleed area hidden in display base
